Re: United States v. Ademola Adebogun,
19 Cr. 291 (LAP)

Dear Judge Preska:

I am CJA counsel for Ademola Adebogun. Mr. Adebogun is currently on supervised release and respectfully requests permission to travel internationally to his native country to visit his ailing mother, who is suffering from dementia. Mr. Adebogun very much hopes to visit her. His supervising officer, PO Matthew Geller, is aware of the request but has not yet stated his position. Mr. Adebogun requests to travel to Lagos, Nigeria on December 29 returning to the United States on or about January 15, 2025. He will stay in Lagos at the home of his mother, the exact address of which has been supplied to PO Geller. Mr. Adebogun was sentenced by this Honorable Court on September 22, 2022 to time served and three years of supervised release, the first six months of which to be served on home confinement. He is in compliance with the terms of his supervised release, though his restitution obligation remains not yet fully satisfied.

Thank you very much for your attention to this matter.

Respectfully submitted,

Robert A. Soloway
